

Grain of Salt

Fizz, fizzle away.
The foam upon the rock
A grain of space

A grain, a grain of salt
Take humans with a grain of salt.
Fizzle away! I melt as contemporaries fade.

Of space and sand, a grain of space
The foam washes away and washes in again

Erase! Replace! I fizzle out. I fizzle up all the way.
I will be out of ideas one day.

...

(lyrics: RoMak/music: Tunnell, Tleilax, RoMak, Shechet)
